TOWN WARRANT
TOWN OF BEDFORD
STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bedford in the County of Hillsborough in said State of New Hampshire; qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday the second of March next, at 7:00 o'clock in the forenoon to act on the following articles number 1 to 10 which shall be by written ballot. Polls are to close no earlier than 6:00 P.M. Action on the remaining articles commencing with Article number 11 will be at the Town Meeting on March 9, 1976, and will be at McKelvie School at 8:00 P.M.

ARTICLE 1. To elect necessary Town officers and School District officers for the ensuing year and ensuing three years.

ARTICLE 2. To see if the Town will vote to enact a Sunday sales ordinance in the Town of Bedford, pursuance to RSA Chapter 332-D:4 as follows:

(A) In pursuance of authority conferred by Chapter 332-D:4, New Hampshire Revised Statutes Annotated, and for the purpose of promoting the health, safety, morals, prosperity, convenience, and general welfare of all persons governed by this ordinance:

- I. It shall be lawful to conduct sports, games, auctions, or exhibitions in connection with which admission is charged or, donations are made, or accepted after one o'clock P.M. on the Lord's Day, within the Town of Bedford, but only after a license therefor shall be granted by the Board of Selectmen, said license to be upon such terms and conditions as the Board of Selectmen may determine.

It shall be lawful to conduct sports and games in connection with which no admission is charged and no donations are made or accepted within the Town of Bedford on the Lord's Day in such places and upon such terms and conditions as the Board of Selectmen may determine.

- II. It shall be lawful to serve meals and furnish supplies, service and repairs required by automotive apparatus on the Lord's Day within the town.
- III. It shall be lawful to permit the operation of any general merchandise establishment, including but not limited to grocery stores, drug stores and real estate sales on the Lord's Day within the town, and to permit advertisement therefor, the hours of such operation to be between 12:01 P.M. and 6:00 P.M. except that drug stores and grocery stores with an interior space not in excess of 6,000 square feet shall be permitted to open from 8:00 A.M. to 9:00 P.M.
- IV. It shall be unlawful to engage in any of the permitted operations set forth on Paragraph II & III on the Lord's Day within the town, unless a license therefor, expiring on December 31 annually, has been issued by the Board of Selectmen upon payment of the fee prescribed, based on the gross square feet of area occupied by the business seeking such license as follows:

\$50.00 for the first 2,500 square feet or fraction thereof plus \$1.00 per 100 square feet or fraction thereof over 2,500 square feet, except that the maximum fee for any license shall be \$500.00.

The applicant for a license shall provide the Board of Selectmen with the floor area from which the fee shall be computed and both the floor area and fee shall be indicated on the license. Misrepresentation of any information required to obtain a license shall be cause for revocation of said license without refund and a new license must be applied for and issued for Sunday sales to be permitted. Provided, however, that refreshment stands or booths that only operate during the months of May, June, July, August and September, including mobile operations, shall be issued a Sunday license at a fee of \$25.00, while during the month of December only, a special Sunday license shall be issued for the sale of Christmas trees and wreaths only at a fee of \$10.00. Provided, further, that upon application to the Board of Selectmen, a temporary license may be issued for the sale of retail merchandise for a period not to exceed two (2) months during a calendar year, the fee for such temporary license to be \$50.00 per month.

- V. It shall be the duty of the Board of Selectmen and the Board of Selectmen are hereby given power and authority to enforce

the provisions of this ordinance, and to require such applications to be filed and documents to be produced by the applicant as may be necessary for the Board of Selectmen to carry out their duties as set forth herein.

- VI. Every person, persons, corporation, or other entity violating any of the provisions of this ordinance shall be fined not more than One Hundred Dollars (\$100.00) upon conviction for each day such violation may exist, and each day that such violation continues shall constitute a separate violation, and in the case of a corporation, its responsible corporate officer, individually shall be also fined and in an identical amount.
- VII. The invalidity of any provisions of this ordinance shall not affect validity of any other provisions.
- VIII. Nothing herein shall relieve any person, persons, corporation or other entity from this provision of any other law, regulation or ruling.
- IX. This ordinance shall take effect upon its passage as required by Chapter 332-D:4, New Hampshire Revised Statutes Annotated, and any Ordinance, or any parts of Ordinances inconsistent herewith are hereby repealed.

ARTICLE 3. To see if the Town will vote for Absentee Balloting for local officials as follows: "Shall the provisions for absentee ballot for the election of all Town officers be adopted by this Town of Bedford, New Hampshire, in accordance with RSA 60:30 New Hampshire Revised Statutes Annotated.

ARTICLE 4. To see if the town will vote to adopt an

**ORDINANCE FOR THE CARE AND MAINTENANCE OF
PROPERTY AND STRUCTURES LOCATED IN
COMMERCIAL ZONES**

For the purpose of promoting the health, safety, morals, prosperity, convenience and general welfare of all persons governed by this Ordinance and the populace of Bedford generally, it shall be unlawful for any manager, lessee, or owner of property located in commercial, limited commercial, neighborhood commercial or highway commercial districts in the Town of Bedford

to fail to maintain the property within his control in a fashion consistent with the site plan and any stipulations attached thereto approved by the Planning Board of the Town of Bedford.

An offending party shall be given an initial notification of his failure to comply with this statute. The party shall have a three month period of grace within which to comply with the site plan and/or attached stipulations.

Should the offending party fail to bring the property within his control to the condition represented in the site plan and/or the attached stipulations thereto, he shall upon the expiration of the three month period of grace be fined at the rate of \$100.00 per day for each day of his offense subsequent thereto.

The Selectmen are hereby duly authorized and given the power and authority to enforce the provisions of this Ordinance.

The invalidity of any provision of this Ordinance shall not affect the validity of other provisions.

MASSAGE PARLORS:

ARTICLE 5. Massage Parlors: it shall be unlawful for any establishment, regardless of whether it is a public or private facility, to operate as a massage salon, bath parlor, or any similar type business, where any physical contact with the recipient of such services is provided by a person of the opposite sex.

This section shall not apply to a physician, surgeon, chiropractor, osteopath or physical therapist duly licensed by the State of N. H. or to a licensed nurse acting under the direct prescription and direction of any such physician, surgeon, chiropractor or osteopath. Also this section shall not apply to barbershops or beauty parlors in which massage is given to the scalp, the face, the neck or the shoulders.

Any person who shall violate the provisions of this section shall, upon conviction thereof, be fined not more than one hundred dollars, and each day's operation shall constitute a separate offense.

PLANNING BOARD ARTICLES FOR BEDFORD TOWN WARRANT

To see if the Town will vote to approve the following amendments to the Bedford Zoning Ordinance as proposed by the Planning Board:

ARTICLE 6. To see if the Town will vote to amend Article IV General Residential District, Section A, paragraph 5, by adding the following wording:

“No building shall be located within 25 feet of the side and rear property lines. These set back requirements shall also apply to swimming pools, tennis courts and similar accessory uses”.

ARTICLE 7. To see if the Town will vote to amend Article V Apartment Residential District by deleting the entire Article and inserting in its place the following:

Article V — Apartment Residential District

The purpose of this district shall be to make arrangements for the development of multi-family dwelling units with regulations specifically designed for their use. An Apartment Residential District shall consist of no less than 10 acres. There shall be no more than twelve (12) dwelling units in any one building and no building shall be more than 2½ stories.

There shall be a minimum of eight hundred (800) square feet for each one (1) bedroom apartment and a minimum additional one hundred fifty (150) square feet for each additional bedroom exclusive of corridors, storage rooms, laundry rooms and other common spaces. Maximum allowable number of bedrooms per dwelling unit shall not exceed two (2).

- | | | | | |
|---|---|---------------------|--------|------------|
| A. Permitted Uses | B. Accessory Use | | | |
| 1. Apartment buildings | 1. Private garage or carport | | | |
| 2. Town Houses | 2. Passive and active recreation structures and uses for benefit of occupants | | | |
| 3. Condominiums | | | | |
| C. Special Exception Uses | | | | |
| 1. Public or private school | | | | |
| 2. Public library, municipal buildings | | | | |
| 3. Public utility building, structure or facility | | | | |
| D. Lot Area, Width, Building Coverage, and Height Regulations | | | | |
| 1. Min. Lot Area | Min. Lot Frontage | Max. Bldg. Coverage | Height | Max. Bldg. |
| All Permitted Uses | 40,000 sq/ft
+4,000 sq/ft per dwelling unit | 100 ft. | 25% | 35 feet |

2. Minimum Yard Requirements

	Front Yard	Side Yard	Side Yard Width Abutting Street	Rear Yard	Min. Dist. Bet. Bldg.
All Permit- ted Use	50 ft.	30 ft.	50 ft.	50 ft.	35 ft.

- E. Buffer Zone — A buffer zone shall be provided for the entire perimeter exclusive of any approved curb cuts in accordance with ARTICLE XXIV, Section T.
- F. Off-Street Parking — At least two (2) parking spaces for each dwelling unit shall be provided in one or more areas serving each building. Parking areas shall not be closer than twenty-five (25) feet to any street right-of-way or property line, and shall be laid out so that no backing or maneuvering in a public right-of-way is required.
- G. Site Plan — Issuance of any building permit for multiple dwelling construction must be preceded by:
1. application to the Bedford Planning Board for site plan approval, (said site plan shall be prepared in accordance with the provisions of Article XXIV, Section U) and
 2. a favorable recommendation of the Planning Board to the permit issuing authority.
- H. Additional Requirements
1. All dwelling units must be served by Town approved water sewerage systems.
 2. All areas for temporary storage of trash and garbage shall be suitably enclosed and screened. The removal of trash and garbage shall be the responsibility of the owner, developer or his agent and shall be done at least weekly or more often if such need is determined by the Town Health Officer.
 3. All dwelling units shall have an approved smoke detection and fire alarm system.
 4. Construction Standards — All structures shall be constructed in accordance with the applicable sections of the most current BOCA Building Code as approved by the Town.

5. The owners/or developers shall as part of the site plan, provide the Planning Board with proof of long-term financial responsibility. Such proof may include but is not limited to the following:
 - a) certified statement from any bank, insurance company or other commercial lending institutions authorized to do business in New Hampshire.
 - b) notarized statement identifying financial backers of the project.
 - c) bonafide purchase option or deed to land involved in project.
6. Covered Parking — A portion of the required parking must be under cover, the amount and manner to be as required by the Planning Board.
7. Road and Parking Area Maintenance and Plowing — The owner, developer, or his agent shall provide adequate assurance for maintenance and plowing of private ways and parking areas at his expense.
8. Outdoor Lighting — The site and landscape plans shall show appropriate lighting for common areas, walkways, parking areas and private ways, which will be installed, maintained and operated by the owner, developer, or his agent at his expense.

ARTICLE 8. To see if the Town will vote to amend Article X, Commercial District, Section G, 1, Off-Street Parking by deleting the entire section and inserting in its place the following:

G. Off-street parking shall be provided as follows:

1. All retail and service type uses permitted in this district.
 - a) Off-street parking shall be provided on the basis of a ratio of three (3) parking spaces for each four hundred (400) square feet of net floor area, plus one off-street parking space for each employee.
 - b) Off-street parking for business and professional offices shall be on the basis of a ratio of one (1) parking space for each four hundred (400) square feet of net floor area plus one (1) off-street parking space for each employee.
 - c) Net floor area shall be as follows: The sum of the gross horizontal areas measured between the interior

faces of the exterior walls of the several floors of a building including basements and cellars, but excluding interior walls, enclosed permanent hallways, wells, shafts, lavatories, furnace rooms, and janitor supply rooms or closets.

ARTICLE 9. To see if the Town will vote to change the classification of approximately 97 acres of land known as the Beau Reve property from commercial to Agricultural Residential. This property is located on both sides of Wallace Road, one half mile south of New Boston Road, and is shown on the Bedford Map as #33.

ARTICLE 10. To see if the Town will vote to change the zoning classification of three lots on the east side of South River Road (U.S. Route 3) immediately south of Bethany Covenant Church from Residential Agricultural to Limited Commercial. The property to be rezoned has 600 feet frontage on South River Road and is 300 feet deep, and includes the property now or formerly of Melinda Miller (150 feet by 300 feet), the property now or formerly of Roland McMurphy (300 feet by 300 feet), and one lot now or formerly of Holbrook (150 feet by 300 feet).

VOTING ON PRECEDING ARTICLES SHALL BE BY WRITTEN BALLOT. POLLS ARE TO OPEN AT 7:00 A.M. AND ARE NOT TO CLOSE EARLIER THAN 6:00 P.M.

ACTION ON THE REMAINING ARTICLES WILL BE AT THE MCKELVIE SCHOOL ON MARCH 9, 1976 AT 8:00 P.M.

ARTICLE 11. To see if the Town will vote to bring County Road up to town standards and reopen a seven hundred and fifty foot (750) section previously closed subject to gates and bars. This section of road extends southerly from the Smith residence to the Isham property.

The section of County Road (from Wallace Road to the Smith residence previously closed subject to gates and bars, was reopened by vote of Town approval in 1939.

Trees between the walls adjoining the road have been cut down and removed by Mr. Earl Isham, Sr. to defray any further expenses to the Town. (By Petition)

ARTICLE 12. To see if the Town will vote to enact a User Fee for the Public Swimming facility.

ARTICLE 13. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

Appropriations	Amount
Highway Dept.	\$25,000.00
Tax Map	5,000.00
	<hr/>
	\$30,000.00

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$65,000.00 for Re-evaluation of all parcels of real estate in said Town, such sum to be raised by the issuance of Serial Bonds or Notes in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hampshire Statutes Annotated 1955 and any amendments thereof) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such action as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Bedford and pass any vote relating thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for new Highway equipment, (2) Highway Sanders. 2 10' Plows and Push Frames, a Tractor Mower-Sweeper and Radio Communications. Such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$30,000.00 under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hampshire Statutes Annotated 1955 and any amendments thereto) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Bedford and pass any vote relating thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

ARTICLE 17. To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent Town meeting, to apply, negotiate and do all other things necessary to obtain such Federal State, or other assistance as may be available for the construction of a sewage disposal system, and to authorize the Selectmen to borrow money in anticipation of said assistance as outlined in N.H. R.S.A. 33:7-b et seq., as amended and pass any vote relating thereto.

ARTICLE 18. To see if the Town will vote to adopt the provisions of RSA 252 (supp) with relation to sidewalks and sewers.

ARTICLE 19. To see if the Town will vote to authorize the Selectmen to take any and all such action as may be necessary to acquire whatever easements and lands as are required for the pollution abatement project. Further, the Selectmen are hereby authorized to employ whatever statutory provisions, including RSA 31:92-a, as are deemed necessary or desirable in order to secure the easements and lands required for the project.

ARTICLE 20. To see if the Town will vote to authorize the Conservation Commission to request the Federal Soil Conservation service to place Bedford on their priority list for soil mapping. Another article will be presented in the year that the work is to be done in order to appropriate the funds.

ARTICLE 21. To see if the Town will vote to authorize the Selectmen to order a new Fire Rescue Pumper not to exceed \$55,000. equipped, with a delivery date for either 1977 or 1978, to be paid out of the Capital Reserve Funds accumulated at the time and a five year note for the balance not to exceed \$28,000.

To hear the reports of agents, Auditors, Committees and other officers heretofore chosen, and to transact any other business that may legally come before said meetings.

Given under our hands and seal, this 2nd day of February in the year of our Lord, Nineteen Hundred and Seventy-Six.

ANNUAL REPORT OF THE TRUSTEES OF THE BEDFORD PUBLIC LIBRARY

For the Year 1975

As we look back at reports of the Library Trustees for the last few years, we see that often the opening paragraph says that it "was an exciting year in the Bedford Public Library." And you have only to visit the Library to see that, with the great numbers of people of all ages coming and going in our Library, it is, truly and always, an exciting place.

We have Bedford people, from the very young to the very much older, who want to read. This is fortunate. And to stimulate and encourage the desire to read, we are indeed fortunate in having a well-trained, intelligent, and dedicated Library staff, including the Librarian, the Assistant Librarian, the two-part time Assistants, Adult Volunteers, and high school age people serving as pages.

To be specific, the Library, is open for full service forty-five hours per week. The regular staff includes Librarian Frances Wiggins, Assistant Librarian Doris Peck, Part-time Library Assistants Betty Thacher and Barbara Potter. Volunteer Assistants during the year have included Betty Clock, Nancy Larrabee, Mary Jane Lee, Barbara Mueller, Andrea Solms, Terry Trott, and Ellen Wenzel. Library Pages who served during 1975 were James Cohen, Janice Danaïs, Jennifer Lee, Christine Lessard, Peter McCormack, John Murphy, James Quirk, and Janet Thacher.

It is indeed true that BOOKS are the main feature of a good Public Library. But in addition to an ever-increasing selection of new books of Fiction and Non-fiction for adults, young people, and children, your Library provides a large selection of Reference Books, constantly up-dated. We have Large-Type books, and we are glad to arrange delivery service to shut-ins. We have Career Information., Periodicals., Newspapers., Pamphlets and magazines, Films (both 8 mm. and 16 mm.) We have regular Bookmobile service, making even more books available. Our Library allows the use of the State-wide Library Card. We have a full Summer Reading Program for children, which this past year included sixteen Story Hours for younger children. The entire project was

handled by Mrs. Wiggin and Mrs. Peck. A Copy-Machine, in almost constant use at a very small fee, makes it possible to provide copies of printed material in very quick time.

Probably the project of the Library during 1975 that has been of greatest interest to the public was the acquisition of a large selection of Arts Prints framed copies of the works of many nationally famous and highly regarded artists. These prints have been available for loan for a month's time, and in some cases have been sold to Library patrons, with new prints bought with the funds received. We invite you all to come in and see and make use of this lending service. The prints are indeed beautiful.

Those prints which are not out on loan are on display in the Bedford Room on the lower level of the Library. This Bedford Room, besides being used for this practical purpose, and for many books of non-fiction, has been used as a meeting room for Bedford groups, 101 times in the year just finished. It is among other things the meeting room for the Adult Reading Group meeting Mondays and for a new Reading Class just started this past year. The Monday morning Reading Group, which meets once a week from January through April, is administered by Mrs. Wiggin, Mrs. Peck, and Mrs. Ayer (who directs the reading.) During this four months' period, the administrators and individual members of the Group review favorite new books which they have read and found valuable. As an added feature the Group participates in reading a Shakespeare play, the 1975 selection being "Midsummer Night's dream." This is followed sometimes by the reading of a modern play; but the 1975 selection was a book written recently by a New Hampshire author, Lael Wertenbaker. This book, titled "Death of a Man," was read and discussed by the Group.

Also, in the spring of 1975, the Librarian invited one of our Bedford Library users, Mrs. Lorraine Lemay, formerly Chairman of the Education Department at Mt. St. Mary's College in Hooksett, to give a six-weeks' course, on Thursday mornings, to adults, on the subject of Modern American Literature. Many of the same people who attend meetings of the Monday morning Reading Group were in Mrs. Lemay's class. It was a vibrant and a stimulating course, again sponsored by your Public Library.

Our Library participates in Co-operative Book Buying in this area of southern New Hampshire, a system which makes our new books considerably less costly than they would otherwise be. This Co-operative buying is administered by our Librarian, Mrs. Wig-

gin. In October, 1975, a meeting of Trustees and Librarians of the Libraries participating in this Co-operative was held at the Amherst Public Library, at which time Mrs. Wiggin explained the various projects and activities of this Co-operative program, which has provided such beneficial services for the Libraries involved.

In addition to this, Mrs. Wiggin has given fourteen talks to Bedford Groups about the use and value of the Public Library.

Assistant Librarian Doris Peck, at the request of teachers in our Bedford Public Schools, has given several interesting and helpful talks to the school children on the history of the Town of Bedford.

In the spring of 1975 the Librarian and Trustee Esther Ayer were invited to the State Library in Concord to receive a Certificate of Merit for our Library from the State Library Commission. During the summer Mrs. Wiggin and Mrs. Ayer took a course in Children's Literature given by Miss Virginia Bereit of the UNH Department of Education.

In the spring Mrs. Wiggin, Mrs. Peck, and members of the Board of Trustees attended the annual Conference of the New Hampshire Library Council, held in Wolfeboro. Mrs. Wiggin and Mrs. Peck also were present at the New England Meeting held at the Wentworth in the Fall.

Before considering this Trustees' Report complete, may I say that we have been fortunate in receiving many gifts of new and valuable books, given by families or friends in memory of a relative or other loved one, who has recently died. Your trustees feel that this is a warm and meaningful way to memorialize such a person. In such cases, the Librarian will be ready to help anyone make a selection, and the book or books will be inscribed as a memorial.

Your Library Trustees feel that we, and you, are indeed fortunate in having such a capable, well-trained, and dedicated staff of Library workers. So we close this 1975 Report with a quotation from a speech given by the late Prime Minister Winston Churchill in 1941: "GIVE US THE TOOLS, AND WE WILL FINISH THE JOB."

JAMES SCOTLAND, JR., *Chairman*

WILLARD VARNEY, *Treasurer*

To the Residents in the Town of Bedford:

The purpose of the Bedford Police Department is the preservation of peace and protection of life and property against attacks by criminals and injury by the careless offender.

This goal can only be achieved by the cooperation of the citizenry of this town in reporting any and all suspicious activities in their neighborhood or while traveling the highways.

If the officer did not get to your location as quick as you expected him it is not because he neglected you, he could have been on another call.

On behalf of the men of this department and myself. I wish to thank you for your kind understanding and patience when aid did not get to you as prompt as you expected.

I also want to express my sincere appreciation to Robert Bullock, member of Civil Defense, for the equipment he acquired for the Bedford Police Department.

For newcomers in town and also a reminder for those who forgot, please find below the sequence of reporting a suspicious car in your area:

1. Plate Number
2. Make and color of vehicle
3. No. of occupants in vehicle
4. Direction of Travel

In Reporting a suspicious person:

1. Approximate height and age
2. Description of clothing
3. Description of face, hair, characteristics

Last but not least, your name and box number on your mailbox may save your life in an emergency, if we cannot find you, we cannot help you.

I would like to take the opportunity at this time to announce my resignation as Chief of the Bedford Police Department.

This is not a matter of choice, it is because I have reached the age limit which made it mandatory by law.

I wish to thank the Board of Selectmen, the Judges of our District Court and their staff, the Town's People and Business Establishments for the fine cooperation extended to me while Chief of the Bedford Police Dept.

I want to especially thank the officers of the Bedford Police Department and the office staff for their dedication to duty and fine understanding in the many instances when they were put to a test. It has been a pleasant experience and a pleasure to serve.

Thank You.

Respectfully Submitted,

BRUNO J. VINCENT

Chief of Police

REPORT OF THE BEDFORD FIRE DEPARTMENT

The Bedford Fire Department has responded to 282 calls during 1975. They included the following:

Building or house	14	Mutual Aid	11
Grass, brush & woods	16	Service calls	30
Automobile	14	False alarms	4
Chimney	5	Needless alarms	8
Rescue	180		

Our training program has continued with regularly scheduled bi-weekly Tuesday evening sessions in all areas of fire fighting and rescue work under the direction of our training officer, Captain Leo Bongers, Jr. Many men augmented this training by attending the annual Fire School at Lilly Pond in Gilford and Meadowood in Fitzwilliam. Several men also took the Emergency Medical Training course to receive State certification enabling them to work on the rescue unit.

To celebrate Fire Prevention Week in October we held an Open House at the station. This affords an opportunity for the community to see the various pieces of equipment and apparatus. Programs on home fire safety were presented at the elementary schools and kindergartens under the direction of Captain Bongers and Lt. Leroy Burbank. The department participated in several out of town parades.

Fire prevention and inspection is the primary duty of each and every fire department. Their second function is to extinguish what they have failed to prevent. The Bedford Fire Department newly formed Fire Prevention Bureau has been a service to the town for a full year now. The Bureau has inspected several homes and businesses and has been well received. The Bedford team presently is: Chairman, Captain Robert Bullock, Captain Harold Hersey, Lieutenant John Hilchey, Firefighters John Hersey, Richard Pollock and Donald Folsom, Secretary. Because of legal technicalities the bureau cannot inspect homes, etc. without the written request of the homeowner. Cards for this purpose are available at the fire station.

The Norman Richards Memorial Scholarship Fund established by the Fire Department awarded four scholarships to eligible Bedford students this past June.

A new rule was decided by the department this year that all firemen must resign at age seventy. In this category are four men and the department wishes to show its appreciation for their long years of service to the Town of Bedford; Former Chief Walter Melendy, Ralph M. Wiggin, Sr., William Hirschmann and the late C. Arthur Wiggin.

As Chief, it is again my privilege to thank all the members of the department and the community for their continued support and cooperation. My sincere appreciation is also expressed to the Civil Defense for their many gifts of equipment. Please remember that the Fire Department Emergency Number is 472-3311.

Respectfully submitted,

RALPH M. WIGGIN, JR.

Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF REPORT TO TOWNS

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forest and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

RALPH WIGGIN, JR.
Forest Fire Warden

REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

Regional Planning Agencies, such as, the Southern New Hampshire Planning Commission are responsible for basic planning activities throughout New Hampshire. Each agency has a specific area for which it is responsible. The Southern New Hampshire Planning Commission's geographic area of responsibility includes the following communities:

* Auburn	Deerfield	Londonderry	
* Bedford	* Derry	* Manchester	
Candia	* Goffstown	* New Boston	Weare
Chester	* Hooksett	Raymond	

The Southern New Hampshire Planning Commission is responsible for preparing coordinated regional plans of its region for land use, transportation, water supply, sewerage, public buildings and the like. Regional plans to be effective *must provide for future growth* in those areas where such growth can most efficiently occur. The regional planning process *must* include an objective evaluation of differing proposals and *must* include public consideration of unpopular or minority viewpoints.

Regional planning provides up to date data needed by local officials to make decisions regarding zoning amendments, street and road improvements, sewer locations, and location of public facilities, to name a few.

Bedford Representatives

Mr. Eugene VanLoan, Jr. and Mr. Paul Goldberg represent Bedford as voting members of the Southern New Hampshire Planning Commission. Mr. VanLoan also serves on the Commission's Executive Committee and the Metropolitan Manchester Transportation Committee.

Technical Assistance

The Southern New Hampshire Planning Commission Technical As-

*Dues paying community (member community)

sistance Program provided several direct benefits to Bedford as follows:

- 1 set of prints of air photos at a scale of 1" = 200' of the Town. The photos were flown in early May, 1975.
- Prepared a traffic study and recommended improvements to the intersection of Meetinghouse, Gault and County Roads.
- Redrafted the Town Base Map.
- Provided regular information on the National Flood Insurance Program.
- Prepared existing land use map of town.
- Prepared major street map.
- Prepared road inventory identifying the condition of each road in town.
- Advised planning board on regular basis.

Regional Plannig

Regional planning studies presently being conducted by the Southern New Hampshire Planning Commission include:

Land Use: A comprehensive land use plan element for the region is well under way. Each community is being done on separate maps, so that copies can be reviewed by local planning boards. This local review process is expected to begin in April.

Housing: A study design for a regional housing study is expected to be completed by June. The actual study will be conducted between July and December.

Transportation: By far the largest, the Areawide Transportation Plan covers highways, buses, air and rail transportation with the emphasis on highway improvement.

The Southern New Hampshire Planning Commission is required to prepare a Transportation System Management Plan which includes a five-year improvement program. Then in order for any project to be funded by the Federal Department of Transportation, it must be on the improvement program.

The Year Ahead

1976 regional planning programs will reflect the priorities established by your representatives. The Southern New Hampshire Planning Commission will continue to support local management capabilities by developing necessary plans and backup data and provide technical services required by local decision makers.

Every effort will be made by the Southern New Hampshire Planning Commission to get needed public services implemented. Any citizen interested in helping solve existing problems and planning for the betterment of the area should contact the Southern New Hampshire Planning Commission offices or one of the Town representatives.

VISITING NURSE ASSOCIATION OF MANCHESTER, N. H.

194 Concord Street

Manchester, N. H.

Telephone 622-3781

Visiting Nurse Association Report of Service

Nursing

Skilled Nursing is available in the home by Registered Nurses and Licensed Practical Nurses which includes dressings, injections, special treatments, baths and rehabilitative nursing under the direction of the patient's physician. Homemaker—Home Health Aides assist under the direction of the nurses and therapists.

Therapy

Registered physical, occupational and speech therapists are available for therapy at home. Social worker and nutritionist consultants have been added to the staff this year.

Pre and Post Natal Advice

The nurse is prepared to give advice and guidance to expectant mothers as well as instructions after the baby is born.

Immunization clinics are held periodically during the year and nurses are available at monthly drop in centers, to take blood pressure readings.

Policy

This agency is voluntary and non profit and is certified to care for Medicare patients. Although many of the services are paid for through Medicaid, Medicare and other health insurances, there is a fee which is discussed on the initial visit. Adjustments can be made. There is no charge for maternal and child health visits made by the nurses. Anyone may request the service by calling the Visiting Nurse office at 622-3781, Monday thru Friday from 7:30 A.M. to 4 P.M. Necessary services are provided on weekends and holidays.

Visits in 1975

		& Speech Therapy	106

Visiting Nurse Association services are available to Bedford residents at no cost to the town. Mrs. Ernest Miller, 31 Ministerial Rd., and Mrs. Edwin Richmond, Campbell Rd., represent Bedford on the Board of Directors of the Association.

BEDFORD HEALTH OFFICER'S REPORT

With the help of the Food Service Establishment regulation, I am now able to follow up all aspects of food service inspections to ameliorate health conditions to conform to state health code.

I have completed a 10 week study seminar at UNH Merrimack Valley Branch on the subject of food service sanitation, to facilitate enforcement of sanitary practices in all our food service establishments.

BEDFORD HISTORIC DISTRICT COMMISSION

During the past year, the activities of the Commission were mainly concerned with commercial development within the boundaries of the Historic District along Route 101. Specifically we were called upon to review applications for the erection of signs identifying various businesses located within existing commercial structures; also, a small extension to an existing commercial building and the proposed construction of a two story commercial building.

After being reasonably satisfied that all proposals conformed to the intent of the governing ordinance, certificates of approval were issued.

The Commission was also instrumental in obtaining further assurances and activity from various property owners and businesses within the District of their intentions to landscape and otherwise maintain their properties to achieve the purposes of the ordinance.

We wish to thank all affected business owners and abutters, the Selectmen and the Planning Board for their cooperation and assistance.

Respectfully submitted,

ANTHONY J. JULIANO, *Chairman*

REPORT OF PARKS AND RECREATION COMMISSION

This year the Parks and Recreation Commission has spent most of its efforts in developing the newly acquired 28.5 -acre site on the north-east corner of Nashua and County Roads.

The development plans call for four tennis courts, major league baseball field, parking areas, outdoor pool and bathhouse, outdoor skating facilities, playground equipment, and picnic facilities. The cost of the development was estimated at \$200,000.00 to be funded 50% (\$100,000.00) by federal matching funds, 25% (\$50,000.00) appropriated at the March 1975 town meeting, and 25% (\$50,000.00) from private contributions.

At this time our complete project has been approved and funds have been set aside by the Bureau of Outdoor Recreation. The private solicitations have fallen short of the \$50,000.00 goal at \$42,000.00. Hopefully future contributions will allow this goal to be attained.

We are deeply grateful for the labor and equipment from the Seabees and Army Reserve units.

The four tennis courts were completed last summer. The outdoor skating facilities have nearly been completed and were usable this winter. The pool and bathhouse contract has been awarded for completion this summer. Most of the parking areas and the picnic facilities will also be complete this summer. After the exact financial obligations of the above facilities are known, the remaining funds will be used for the playground equipment and the major league ballfield. We expect the Seabees to participate substantially in the ballfield construction. Therefore, we do not anticipate its completion until the fall.

The efforts of the Parks and Recreation Commission will continue in the physical development of the 28.5-acre site and also in promoting and organizing its use and the use of the Bedford Ball Park.

BURTON A. HYMAN
Chairman

ANNUAL REPORT

BEDFORD PLANNING BOARD

ORGANIZATION MEETING

At the annual organizational meeting of the Planning Board held the first Monday in April, the following officers were elected:

Chairman	Paul Goldberg
Corresponding Secretary	Eugene VanLoan, Jr.
Recording Secretary	Ray Kiestlinger
Treasurer	John Jacobson

Other members of the board include:

John Nilson	
John Tanner	
Al Lambert, <i>Selectman</i>	Ex-Officio Member

The planning Board meets on the first and second Monday of each month.

The Bedford Planning Board operates under Chapter 36 of the New Hampshire RSA, as amended, which charges the Board with certain responsibilities —

- It is the duty of the Planning Board to make and perfect from time to time, so far as funds appropriated by the Town for such purpose will permit, a master plan for the development of the Town.
- It is the duty of the Planning Board to recommend to the Town amendments to the Town Zoning Ordinance.
- It is the duty of the Planning Board to review and approve or disapprove subdivision plans for proposed developments in the Town.
- It is the duty of the Planning Board to review and approve or disapprove site plans for non-residential uses.

The majority of the Planning Board's work this year involved:

- (1) Review and approval or denial of proposed subdivisions brought before it.

- (2) Review and approval or denial of non-residential development site plans.
- (3) Preparation of proposed amendments to the Town Zoning Ordinance.

Specific recommendations for changes to the Zoning Ordinance this year include:

1. Working to further clarify side and rear set-back requirements, and to make these requirements apply to swimming pools, tennis courts, and similar accessory uses.
2. Complete revision of the Apartment Residential section to make these requirements more stringent.
3. Revision of the Commercial District Off-Street Parking Requirements so they will be based upon net rather than gross floor area.
4. Rezoning of the Beau Reve property on Wallace Road from Commercial to Agricultural Residential so that it will be consistent with the surrounding areas.
5. Rezoning of three lots on Route 3 south from Agricultural Residential to Limited Commercial.

During the next year the Planning Board is scheduled to begin updating the Bedford Comprehensive Plan prepared in 1962-63. The Planning Board will work with the Selectmen and other Town Boards to develop basic information needed for sound planning of the Town's future. The Tax Map presently being prepared will show each property line in the Town. The soil mapping proposed by the Conservation Commission will be an aid to the Planning Board in their review of proposed future development, especially in the area of on-site sewage disposal and wet or critical areas. The Master Plan would be used as the basis for approval or disapproval of proposed development plans.

PAUL GOLDBERG, *Chairman*

BEDFORD CONSERVATION COMMISSION

Annual Report

The Commission is pleased to report that a cooperative program with students at McKelvie School, under the direction of Mr. Landry, is being undertaken. This program will test surface waters in the town in such a manner that changes can be noted and remedial action taken before serious damage occurs.

In November, a few members of the Commission were able to attend the annual N. H. Association of Conservation Commissions meeting at which time they were introduced to a tremendously exciting instrument-The Conservation Deed. Considerable financial advantages can be realized by the landowner willing to share some of his rights on a portion or all of his land. Anyone desiring additional information, please contact a member of the Commission.

Further study has emphasized the importance of a soil survey for the town. All projections indicate a heavy longterm growth pattern for this area. This survey gives town officials and other interested parties information for determining the soil limitations. The availability of soil maps can prevent the kind of development that will only result in problems for the town. The effective use of the maps can indicate which areas are suited to specialized development. The Planning Board joins with us in supporting this project as a valuable tool in their work.

Substantial progress is being made in the acquisition of desirable land for town use. As soon as negotiations are completed, appropriate announcements will be made.

At the request of the selectmen, we developed a proposal to permit town use of twenty-one acre parcel in an extensive development being planned by Dr. Michaels. This plan will provide potential town services, when needed, as well as recreational and educational uses.

BEDFORD CONSERVATION COMMISSION POLL

Please indicate your interests and additional comments in regards to the following questions. Please return the completed poll to: Clark Gott, 31 Church Rd., Bedford, N. H. 03102.

1. Are there scenic areas in this Town which should be preserved or improved?
YES ☐ NO ☐
2. Are there historic sites or buildings that should be preserved?
YES ☐ NO ☐
3. Are there additional areas in this Town you feel should be preserved for recreation?
YES ☐ NO ☐
4. Is there an area in this Town which should be preserved for wildlife?
YES ☐ NO ☐
5. Are there watersheds that should be preserved or improved?
YES ☐ NO ☐
6. Do you feel there is a land or water pollution problem in Town that needs attention?
YES ☐ NO ☐
7. Do you have knowledge of property that could or should be acquired?
YES ☐ NO ☐
8. The Commission is authorized to receive gifts, bequests and easements. Do you have any land you might want the Commission to develop now or in the future?
YES ☐ NO ☐
9. Please give your name, address, and telephone number if you are interested in working with the Bedford Conservation Commission.

**Return to Clark Gott
31 Church Rd.
Bedford, N. H. 03102**

BUILDING INSPECTOR

Office Hours at the Town Office Building are from 8:30 A.M. to 5:00 P.M. Monday thru Thursday.

Telephone 472-3838

Builders and Contractors are required to submit an approval for construction form from the N. H. Water Supply and Pollution Control prior to applying for a building permit.

Four progress inspections are required:

- 1 — Excavation completed, ready for footings.
- 2 — Foundation waterproofed, ready to backfill.
- 3 — Building framed, rough plumbing and electrical completed.
- 4 — Totally completed, ready for occupancy.

ANDRE J. COURCHESNE,
Building Inspector

REPORT OF THE SEWER COMMISSION

The Town on March 4, 1975 voted to establish a Sewer Commission pursuant to N. H. RSA 252, 19-32, having all the powers which would otherwise be conferred upon the Selectmen with regard to construction and maintenance of sewers.

The Selectmen on May 16, 1975 officially appointed Ray Walker, Paul Goldberg and Alec Patryn to serve as the Sewer Commission until the next regular Town Meeting at which time the office of Sewer Commissioner will be elected.

This year the primary job of the Sewer Commission has been the administration of the Step 2, Sewer Design Contract being done by Anderson-Nichols and Company. This contract was executed on April 23, 1975 by the Selectmen. Under the terms of the Contract, Anderson-Nichols is to complete the sewer design by April 17, 1976. This sewer design contract covers the area on both sides of Route 3 from the Manchester/Bedford Town line to Foster Beef. In addition to the design contract administration, the Sewer Commission is reviewing a proposed intermunicipal agreement with Manchester for treatment of the Town's sewage at the Manchester Sewage Treatment Plant.

During this coming year the Sewer Commission plans to complete the following:

- a) Complete Phase I design
- b) Acquire necessary easements and land to construct Phase I sewers
- c) Complete negotiations on the intermunicipal agreement for treatment of sewage by Manchester
- d) Submit bond issue for construction of Phase I sewers to the voters.

It is important to note that 95% of the eligible costs of design and construction of the Phase I sewers in Bedford are paid by the State and Federal governments.

RAY WALKER, *Chairman*

AUDITOR'S REPORT

We have examined the balance sheet of the Town of Bedford, New Hampshire as of December 31, 1975 and the related statements of revenues and fund equities, for the year then ended. Our examination was conducted in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and other auditing procedures as we considered necessary under the circumstances. Our audit includes examination of the accounting records of the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Treasurer of the Public Library, and Trustee of the Trust Funds.

The Schedule of Town Property and the related Schedule of Note Payments on Notes, payable for Water System Planning, Construction Sanitary Land Fill and Sewerage Treatment Plan are presented separately instead of as an integral part of the balance sheet.

In our opinion except as noted in the preceding paragraph, the balance sheet and related statements of revenues and expenses and fund equities fairly present the financial position of the various funds of the Town of Bedford, New Hampshire, on December 31, 1975 and the results of operations for the year then ended in conformity with accounting practices used by Municipalities applied on a basis consistent with that of preceding years.

R. A. BAILEY, *Town Auditor*

H. RICHARD SPURWAY, *Town Auditor*

**BEDFORD SCHOOL DISTRICT
SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District in the Town of Bedford, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the McKelvie School in said District on the 4th day of March, 1976, at 8:00 o'clock in the evening to act upon the following questions:

ARTICLE I. (By Petition). To see if the District will vote to raise and appropriate the sum of \$29,000.00 as a deficiency appropriation, said sum to be made available to the School Board and School District prior to June 15, 1976. Said sum represents the balance oif payment for the Manchester West Tuition for 1974-'5.

ARTICLE II. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of the School District and agents and for the payment of statutory obligations of the District.

Given under our hands at said Bedford this 9th day of February, 1976.

REPORT OF THE CHAIRMAN OF THE SCHOOL BOARD

To the Residents of Bedford

A revised Philosophy of Education now, clearly expresses the educational mood of the district. Hopefully it clearly expresses the feelings of all. The Bedford School Board sincerely thanks those citizens who provided input for this revision.

Hopefully, through the budgetary process, sufficient funds will be appropriated this year to continue the operation of our educational system in the most efficient way. One very important item in our budget this year is that of curriculum development. Through last years study of the Social Studies curriculum, our children are now benefiting from a continuously updated and well organized subject area. This year we are proposing the revision and updating of the Language Arts area. As this is the most comprehensive area of our childrens studies, the Bedford School Board is counting on your support for this item in the budget.

Once again the Mount Cardigan experience was the highlight of the first semester for the eighth grade students. Under the leadership of Curriculum Coordinator Ray Landry and his staff, the environmental education program has had a tremendous positive impact on the participating students as well as many participating members of the community. The proposed McKelvie Site Plan will even further augment the Science curriculum.

Your School Board is using every means possible to inform the citizens of this town of the activities of the Bedford School District. All taxpayers received a news-letter by mail in November and will receive another before the annual School District Meeting. The newsletter is one way we have tried to keep the town aware of important issues before your School Board.

The Bedford School Board and school administration has spent considerable time and effort in trying to improve the transportation system which conveys our children to and from school. The new transportation contract will correct many inequities of the past and

solve many of the complaints heard over the years. It will be, in essence, what you have been asking for.

An area of confusion within Bedford is the tuition arrangement with the city of Manchester. We in Bedford, purchase a service from the city of Manchester. It is a simple business arrangement, the city offers a service and the town of Bedford, desiring this service, purchases it. Over the years statistics have shown students can do well at West High if they want to and can go on and do well at higher institutions of learning, if they want to.

My hope for the future is more people in town will become involved in our educational system and strive to improve it.

Respectfully submitted

DAVID B. GAUDES, *Chairman*

January 30, 1976

SCHOOL DISTRICT
BUDGET COMMITTEE REPORT

The Bedford Budget Committee held three regular meetings with the School Board to discuss their budget requirements for the fiscal year 1976-77. The Public Hearing was held on February 3, 1976 at the McKelvie School and a disappointing attendance of nearly 70 queried the School Board and Budget Committee.

On February 4, 1976 the Budget Committee met to act on the School District Budget and after much deliberation the job was completed. The main objective of the Budget Committee was to maintain and increase the educational levels at a cost within the reach of the residents.

Many of the School Board's recommendations are included in the Budget Committee's budget. The Budget Committee recommended a 6% salary increase for all supportive personnel rather than the School Board's recommendation of 8% — 10%. The Budget Committee's figures should be used as a guide and the final decision will be the voters at the School District Meeting.

EARL G. LEGACY

Chairman

— AUDIT —
REPORT OF STATE TAX COMMISSION

January 9, 1976

Mr. Claude H. Leavitt
Superintendent of Schools
Supervisory Union No. 26
McElwain Street
Merrimack, New Hampshire 03054

Dear Mr. Leavitt:

In conjunction with our recent conversation, please be advised that due to unforeseen special audits and various personnel problems, we will not be able to proceed with the audit for the Bedford and Merrimack School Districts and Supervisory Union No. 26 until approximately March 1st of this year.

I sincerely regret that we will not be able to start on the date previously scheduled. Thank you for your understanding in this matter.

Very truly yours,

R. D. WORKMAN
Assistant Director

1976-77**DISTRIBUTION OF ONE

**REPORT OF THE SUPERINTENDENT OF SCHOOLS
To The
SCHOOL BOARD and CITIZENS OF BEDFORD**

The past school year provided significant new and expanded programs in our educational community. For the third consecutive year our elementary school enrollments have declined from the previous September.

	1—4	5—8	Total
Sept. 1973	596	668	1264
Sept. 1974	588	668	1256
Sept. 1975	560	663	1223
Est. 1976	554	656	1210

This stability enables us to expand existing programs to better meet individual needs. We have added a third physical education teacher. We continue to offer this program twice a week at the Middle school and in addition now provide a program at all primary grades.

Our high school students continue to be tuitioned to Manchester West High School. We have enjoyed good cooperation with the Manchester School Board and Administration. However, the residents of Bedford continue to have little to say relative to the education of high school students. As long as this is satisfactory with the Bedford resident this arrangement will be continued.

The Bedford Summer School Program, under the direction of Maynard Contois, was well attended for the eleventh year. One hundred and twenty-three children and adults found academic, social and athletic value in Reading, Mathematics, Creative Workshop, Typing, Driver Education, Gymnastics, Tennis, Yoga and Introductory Gardening. It is interesting to note that this program continues to be attractive to the community and is self-supporting.

The successful environmental education program at the eighth grade continues to involve and develop, and is perceived by staff, students and community as an example of the interdisciplinary approach to subject matter and of the use of community resources in the schools. Environmental concepts are now being introduced into the science and social studies curriculum at all grade levels and staff and students are working with the School Board in a plan to develop the McKelvie site as an outdoor laboratory for use by all students.

The Social Studies curriculum was thoroughly reviewed and revised under the direction of Mr. David Faichney, Social Studies Curriculum Coordinator. The School Board was presented the complete program for approval in September 1975. Also approved this year was the new Health & Safety curriculum in grades 1-8 which had been in the developmental phase for 1-½ years. The core of this program evolves around the Laidlaw Health Series, a series of booklets produced by the American Medical Association and a similar series offered by Scott-Foresman. Appropriate media are also an integral part of the program. Dr. Eugene Lariviere has been extremely helpful to us in the development of this program.

Consistent with new State Board of Education regulations regarding the recertification of professional staff, the Supervisory Union Board approved the Master Plan for Staff Development in April 1975. The plan was then submitted to the State Department of Education and was approved. Under this plan staff members must develop and fulfill a professional growth plan by accumulating 50 hours of work in areas of expressed need in a three-year period. This work may be accomplished through college courses, workshops, travel, independent study or other approved means.

Our internship program, in conjunction with the University of New Hampshire, has been a pleasant experience. We have expanded the program from four interns at the Middle School to seven in both primary and Middle schools. Several inservice training programs, sponsored by the University, have been brought to our schools as a direct benefit of this experience.

The voters of the district may have confidence in the quality of our teachers and supportive personnel. Bedford continues to attract and hold competent teachers. The signing of a three-year Master Contract between the Bedford Teachers Association and the Bedford School Board has served to give stability and direction in the employment of professional personnel.

The time and dedication by our school board in addressing the problems of the district are to be commended. The time and talent of the board serves to create a more meaningful educational experience for the boys and girls of Bedford.

Respectfully submitted,

CLAUDE H. LEAVITT,

Superintendent of Schools

REPORT OF THE PRIMARY UNIT PRINCIPAL

January 5, 1976

The following constitutes my annual report as Principal of the Memorial and Peter Woodbury Schools:

This school year has been marked by the adoption of new Philosophy of Education by the School Board. The philosophy is distinctly child centered with emphasis on meeting the individual needs of each student. These two aspects of the new philosophy have been key goals of the Primary Unit for several years. We find the new philosophy definitely in tune with the direction in which the Primary Unit is moving.

A new Health and Safety Program, under the direction of Assistant Superintendent Rodney Mansfield, and a revised Social Studies curriculum, under the direction of Curriculum Coordinator David Faichney, were introduced this school year. The addition of a Physical Education teacher to the staff has enabled all Primary Unit students to have classes on a regular weekly basis. The program is centered around the development needs of the students with emphasis on movement education.

The involvement of the curriculum coordinators in the Primary Unit has continued to smooth the transition of students from grade to grade in each of the curriculum areas. This past summer a social studies curriculum revision took place which was made possible through the budgetary process. This was a positive step in providing a process to deal with curriculum revision in a meaningful manner. Language Arts has been singled out as the area to be studied this summer.

A Title I Mathematics Program has been in operation since September, under the direction of Curriculum Coordinator Curt Lombard in Grades 4 - 6. The program centers on students who are potentially good math students, but are in need of individualized help to enable them to reach their potential. Math aides and specialized materials have been made available through federal funding to achieve the objectives of the program.

This year saw the involvement of the Primary Unit with the Internship Program of the University of New Hampshire for the first time. Three interns are located at the Peter Woodbury School. Two are teaching at the fourth grade level, and one at the third. The teaming situation at the Peter Woodbury School lends itself ideally to the internship concept. The interns are a significant factor in reducing the pupil-teacher ratio and permitting teachers to individualize their instruction.

The P.T.G. Volunteer Program continues to supply the students and teachers with much needed help and assistance. I would like to thank, on behalf of the Primary Unit Staff, all of the volunteers for their effort.

This past year the second grade classes were split between the Memorial and Peter Woodbury Schools. The entire staff of second grade teachers meet on a regular basis to ensure a continuity of programs for the two units. The programs, at this point, are evolving smoothly.

I wish to thank all who have helped carry on the educational process in the Primary Unit.

Respectfully submitted,

ARNOLD M. MacDONALD

Principal Primary Unit

REPORT OF THE PRINCIPAL MIDDLE SCHOOL

January 14, 1976

Mr. Claude Leavitt
Superintendent of Schools
Merrimack, New Hampshire
Dear Mr. Leavitt,

The following constitutes my tenth annual report, the sixth as principal of the Middle School.

Since January of 1975, much has happened of a positive nature at the McKelvie School. A Title I Mathematics Program was instituted for students in grades 4, 5, and 6 under the supervision of Curtis Lombard, our Mathematics Curriculum Coordinator. Students who are below grade level are given tutorial help by one of our six trained math aides. We hope to bring these students closer to their potential and improve their attitude about studying mathematics. To date, the program has been progressing very nicely.

Four new interns from the University of New Hampshire are with us this year. In the tight job market that we are in, it is nice to know that all four interns from last year have succeeded in finding teaching positions (one was accepted into a Doctoral program at the University of Chicago).

Unfortunately, Diane Inman had to resign her seventh grade math position due to poor health and Marie Souza had to resign from her fifth grade position due to her husband's job relocation. Their replacements, Deborah Ryan and Karen Maitland have filled their positions in a commendable manner.

Our new district wide testing program was implemented this past Fall under the direction of James Duffy, Guidance Counselor. Other than the fact that the automatic scoring services were a bit slow, everything went very well. Two informational meetings were held for parents and the test results were sent home with the students in grades 5 and 7.

The "new" report card (a few changes were made) was distributed the first making period for all grade levels. For the first time, we requested all eighth grade parents or guardians to come to a conference with the teachers. The response to the scheduled conferences was very gratifying indeed.

A greater effort than ever before was made last Spring to orientate the incoming fifth graders to the McKelvie School and it has resulted in a very smooth transition from the primary to the middle school.

The interdisciplinary Environmental Education Program at the eighth grade level continued this year with the climatic event still being the trip to Mount Cardigan. We are now trying to expand the Environmental Program by budgeting monies for the development of the McKelvie acreage (approximately 50 acres) into an outdoor classroom.

An extensive Career Education Program has been developed thanks largely to a group of parent volunteers and Federal monies awarded to the school for implementation of the program. The sixth grade teachers and students have been most highly involved to date. A program for eighth grade students is being developed by the staff which will begin to be implemented at the end of this January.

Many Bicentennial events have been planned and some have been implemented. Anne Landini's home economics students are busily engaged in making a Bicentennial quilt. The Parent Teachers' Group has underwritten the cost of purchasing Bicentennial bumper stickers which are for sale. Plans have been made to have many of our students see the stage production of "1776" this Spring. Many students are engaged in correspondence with students from around the country. The information "swapping" is of a Bicentennial nature. We hope to be able to present our own Bicentennial play some time late this Spring.

The implementation of the new Health and Safety Program is moving ahead at a steady and effective pace. The curriculum for grades 1-5 is fully developed. Textbooks have been purchased for use at the seventh grade area. Films on the problems of the adolescent, drug abuse, and alcohol have been tastefully integrated

into our eighth grade curriculum. Eugene Lariviere, M.D., has again worked with us in the presentation of a health and safety program for our eighth grade students.

As required by the Staff Development Master Plan effective July 1, 1975, our staff has completed its obligation to develop individual growth plans for the next three years and are busily engaged in acquiring the 50 clock hours of professional activities for recertification purposes.

In conclusion, I would like to say that learning atmosphere at the McKelvie School is one that we all can be proud of. This is due primarily to the fact that our children have been working very cooperatively under the guidance and direction of a largely veteran and dedicated staff.

Respectfully submitted

Ballard Bros., Inc.
Manchester, N. H.

The medal pictured on the front cover commemorates the 225th Anniversary of Bedford, 1750-1975.

The Town of Bedford, New Hampshire, was settled in 1737 and incorporated in 1750. Known originally as Souhegan East or Naragansett No. 5, it was named Bedford at the time of incorporation in honor of John Russell, the 4th Duke of Bedford, England, a personal friend of the Governor of the Province, Benning Wentworth.

As Bedford was settled by Scotch-Irish, the church pictured is the Presbyterian Church at the Center which was the first church in town.

The clock in the steeple is owned by the town and maintained by funds voted annually at town meeting. The Town Hall is the third building, but rests on the same site as the two previous ones. John Goffe's Mill was one of the earliest in town and the last to remain, being restored by Dr. George Woodbury in 1936. The weathervane which divides the face of the coin depicts the sun, the moon, and seven stars. It still functions on the church spire and was made by the village blacksmith, Nathan Kendall, and set on his crowbar as an axis. The reverse of the medal on the back cover commemorates the American Revolution Bicentennial, 1776-1976, and the role Bedford's men played in it. Listed are the major battles in which they fought: Bunker Hill, Arnold's Expedition to Quebec, Ticonderoga, Saratoga, Bennington and Valley Forge. From a total of 143 families living in Bedford at the time, 120 men went to fight for freedom. An astounding record!

The Bedford Historical Society deeply appreciates the use of our design for the Front & Back cover of the Town Report.

Design created by Jean Tallman for the Bedford Historical Society.
